

Hosted by:
Fort Worth Boat Club & Eagle Mountain Classic Boat Club

Charge the battery and let's get ready for the
2023 WOOD WAVES & WHEELS
~~May 13th, 2023~~

RESCHEDULED TO JULY 1, 2023

We had a great show with a wonderful turnout and weather last May! Fort Worth Boat Club & Eagle Mountain Classic Boat Club are ready to welcome each of you to participate in this year's show and bring your family and friends to join us. **You will absolutely LOVE the new club!**

We plan to shorten the hours just a bit and have the show starting at 11:00AM, with the awards starting about 2:30 PM. Pre-registration is encouraged again this year. It saves you a lot of time so that you can find that perfect spot under a shady tree with great view of the lake. The pre-registration form is attached to this email. Please fill it out and email it to the appropriate contact (listed below). We will start lining everyone up about 10:00 AM.

Once again, food and beverages will be available at a very reasonable price compared to many of the car and boat shows. **Please remember, TABC does not allow you to bring ANY alcoholic beverages on the grounds.** Please do not place yourself or the club in jeopardy. We thank you in advance.

Our 50/50 drawing will be back! This has been a huge success in the past.

There is no entry fee again this year. We encourage you to help support this event by purchasing the 50/50 raffle tickets (from the registration table), lunches and appetizers through the club.

In past years we have had a tank, converted bus, tractors, new cars, antique cars, race cars. We would enjoy seeing all types of transportation! Everyone is welcomed.

We've included our event poster and pre-registration form. Please feel free to share them with friends, on social media – and wherever else!

Again, we look forward to seeing each of you on MAY 13th!
